

## SCALABILITY

This design is created from an original photograph or hand-crafted piece of art. As such the image may begin to degrade when scaled beyond 9 feet in height.

## REPEAT

This design is not a repeating pattern. For significantly wide or tall installations, we will normally crop, stretch or mirror the design to fit your space.

## COLOR

This design primarily features colors that are textured, layered transparent, or tonal in nature. As a result, custom colors may not reproduce entirely as expected.
