Care & Cleaning Guide

Basic Cleaning

Light soil, crayon, pencil, lipstick, blood, and other mild staining agents can usually be removed by using a soft cloth with mild soap and water. Other gentle, non-abrasive cleaners can be used. To get rid of any last bits of residue, the cleaned surface should always be “rinse wiped” with clean water and then dried.

Stubborn Stains

Stubborn stains, ball point pen, permanent marker, dry erase marker, paint and shoe scuffs can usually be removed by using a Mr. Clean® Magic Eraser™ in concert with a product like Spartan Graffiti Remover SAC®. Again, always scrub with the grain and “rinse wipe” with clean water and dried to remove any remaining residue.

Do Not Use

DO NOT USE methyl ethyl ketone (MEK), cleaners containing MEK, bleach, or any other cleaners containing harsh solvents on WallBoard. Powdered cleansers **ARE NOT RECOMMENDED** as they are abrasive and tend to leave a troubling residue if not utilized properly. **DO NOT USE** scouring pads or steel wool on Wallboard panels.

Matrix 2.0: Type II Wallcovering for Medium Traffic
Matrix 3.0: Type III Wallcovering for High Traffic
Matrix 4.0: Rigid Panels for Extreme Traffic

Available in custom digital and standard patterns.

Statement of Practical Use
